

NOTICE

Postponement and Rescheduling of Examination

The Environmental Engineering [CE 2209] examination, originally scheduled for 25th March 2026 from 13.00 hrs to 15.00 hrs, has been postponed in view of the restrictions and policies imposed by the Government regarding Wednesday operations due to the prevailing severe fuel constraints.

The examination has been rescheduled as follows;

Subject: **Environmental Engineering [CE 2209]**

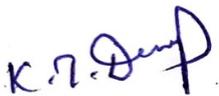

Date: **26th March 2026 (Thursday)**

Time: **09.00 a.m. to 11.00 a.m.**

Venue: Examination Hall A, Faculty of Engineering

All concerned students are hereby requested to take note of the above changes and make necessary arrangements to attend the examination accordingly.

Your cooperation in this regard is highly appreciated.
